LinkedIn ATS Integrations

Connect LinkedIn Recruiter & Jobs to JobScore

Discover a simplified, insights-driven workflow that helps you engage more qualified candidates faster.
**Linked**in **Talent** Solutions

Table of Contents

Spend more time on people, not process.

Discover the one integration suite that can save your team time so you can focus on what matters most — hiring the right people.

Save time

Quickly access all the information you need without switching between platforms.

Hire qualified candidates

Attract the most qualified candidates and move them through the hiring funnel faster.

Make informed decisions

Strengthen your hiring strategy with relevant candidate insights and data-driven reports.

Pricing: LinkedIn ATS Integrations are provided by LinkedIn at no additional cost if you hold a full Recruiter seat. Some ATS providers may charge a fee for certain integrations.

Integrations for all of your hiring needs

LinkedIn ATS Integrations help you stay efficient at every stage of the hiring process.

Sourcing package

Work seamlessly across Recruiter and your ATS to find qualified candidates faster.

Recruiter System Connect

Connect your ATS to LinkedIn Recruiter to access information when and where you need it, without having to switch between platforms.

Unified Search

Search and message candidates across both your ATS and the LinkedIn network directly from your ATS.

Recommended Matches

Discover candidate recommendations based on job descriptions you post in your ATS.

Reporting package

Understand your sourcing and hiring activities across your entire funnel.

ATS-Enabled Reporting

Gain insight across your end-to-end hiring funnel to optimize where you spend your time and to understand the value of all your sources, including LinkedIn.

Apply package

Streamline the job posting and application processes so you can focus on the most qualified candidates.

Apply Connect

Attract more applicants with a seamless candidate experience and real-time job postings, then use insights to evaluate applicants in your ATS.

Apply with LinkedIn

Let candidates apply to jobs on your career site using their LinkedIn profile information.

Whatever stage your candidates are at, LinkedIn ATS Integrations can move them through the funnel faster with these packaged solutions.

Sourcing package

Recruiter System Connect – Learn more ↓

✓ Identify which candidates are already in your ATS when searching in Recruiter

✓ View real-time LinkedIn profiles and applicant insights in your ATS

✓ Receive LinkedIn skills data about applicants

✓ Send application status updates to candidates with automated notifications

Apply with LinkedIn

✓ Let candidates apply to jobs on your career site using their LinkedIn profile information

Linkedin **|** **JOBSCORE**

Recruiter System Connect (RSC)

Connect your ATS with LinkedIn Recruiter to access candidate information, boost collaboration, and view more applicant data in both Recruiter and JobScore without having to switch between platforms.

- Get the same candidate data in both Recruiter and JobScore, saving you time and keeping you up to date wherever you're working

- View a candidate's LinkedIn profile with JobScore and easily see which candidates are already in JobScore from Recruiter

- See all Recruiter notes and InMail messages in JobScore for a complete view of your candidate interactions

- Automatically create or update a profile within JobScore when a candidate responds to an InMail message

- Activate RSC to pave a path for easier activation of other powerful LinkedIn ATS Integrations
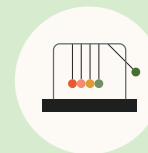

Save time now that you're connected

Connect at no additional cost

RSC is secure and GDPR compliant

Easy setup for administrators

6

Linked in | **JOBSCORE**

How to activate Recruiter System Connect

a Sign in to your JobScore account.

b Select the **"Integrations"** tab and then click the **"ACTIVATE"** link in the sourcing area.

c In the LinkedIn ATS Integrations widget click **"Choose package."**

d Check the box in the **"Sourcing Package"** area, then click **"Save changes."**

This will start synchronizing your data, which normally takes around 30 minutes, but it can take longer for accounts with a large number of candidate records.

You can only use the integration when the sync is complete, but you're free to navigate away from the page.

Only users with JobScore Owner or Admin user access can access the page with the LinkedIn onboarding widget.
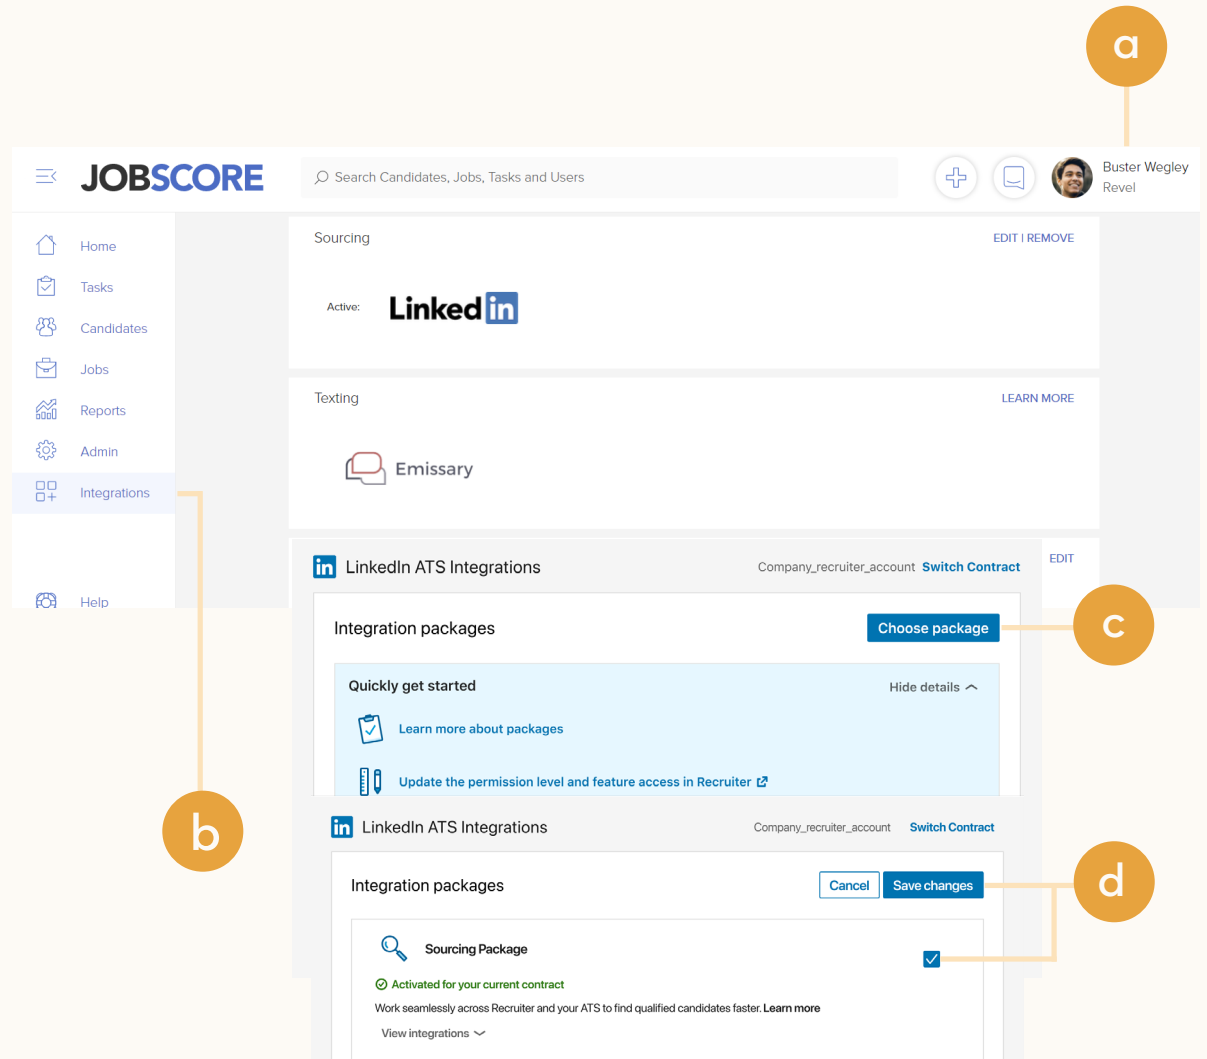

LinkedIn | JOBSCORE

Optional step

Adjust your access settings in Recruiter.

a Open your LinkedIn Recruiter Admin account in a new tab.

b Scroll down to your JobScore section.

c Connect **"Contract Level Access,"** **"Company Level Access,"** or both by clicking **"On"** for the desired access.

d Activate 1-click export to quickly transfer simple candidate information to your ATS.

e Activate the InMail Stub Profile API to create or update profiles in your ATS when a candidate consents to share their contact information with your company via InMail.

LinkedIn | **JOBSCORE**

Apply package

Activate Apply Connect.

a Sign in to JobScore and visit the [LinkedIn Integrations page](#).

b Inside the LinkedIn ATS Integrations widget, click **"Choose Package."**

c Select the box for **"Apply Package."**

d Select the box for **"Apply Connect."** Make sure the **"Applicant notifications"** box is also selected if you'd like to use applicant notifications.*

*Applicant notifications is an optional setting to automatically notify applicants the first time you take any of the following actions in the ATS: 1) view an application, 2) download a resume, or 3) reject an application. Notifications are sent on behalf of your company, not from individual recruiters.
