"FAIL TO PLAN, PLAN TO FAIL"

Benjamin Franklin made a great point, which was reinforced by Content Marketing Institutes's Joe Pulizzi, who recently revealed that marketers with a documented strategy are 4x more effective. And yet only 28% of marketers have a documented content marketing strategy. With those kind of numbers it's no wonder that only 30% of marketers feel their content marketing strategy is effective.³ [#MissedOpportunity](#)

LET'S START WITH 4 PLANNING BASICS TO SET YOU UP FOR CONTENT MARKETING SUCCESS:

1. **Delegate.** Ensure you have someone (or a group of people) dedicated and held responsible for each of your channels.
2. **Follow brand guidelines.** Maintain open lines of communication with your brand team to ensure your content reflects a consistent look, voice and tone. Consider creating content guidelines which your team and other regional and vertical teams can follow.
3. **Look beyond your team to source content.** Everyone loves a solid cross-functional partner. Encourage a steady stream of content from all regions and verticals. Also—going back to delegating above—assign someone as the gatekeeper of content across channels.
4. **Build an editorial calendar.** Based on your objectives, fill your calendar with a variety of top, mid and lower funnel content to help you engage your audience and achieve your goals.
