

# Talent Connect Summit

BIG IDEAS SESSION | OCTOBER 22, 2025

# Unlocking Hiring Success with LinkedIn's Partner Ecosystem

AI has the power to transform hiring, but only if it's built on a foundation of connected, trusted data. This session explores why integrations between LinkedIn and your ATS and CRM are critical to optimizing your workflow.

SPEAKER

**Larry Nelson**

Head of Talent Solutions Partnerships

SPEAKER

**Emma Webb**

Head of Integrations Product Marketing

AI has the power to transform hiring, but only if it's built on a foundation of connected, trusted data. LinkedIn is integrated with 350+ of the market-leading ATS and CRM systems your teams use every day.

## Straight from the Speaker:

*"The integration of LinkedIn's Hiring Assistant with Greenhouse has the power to transform hiring into a seamless, connected flow that is intelligent, efficient, and built for scale." - Brett Stone, Ping Identity*

## Key Takeaways:

- **Integrations are Essential:** Connecting LinkedIn with your ATS/CRM systems is essential - drive efficiency by enabling your tech stack to seamlessly work together
- **LinkedIn Hiring Assistant + integrations = a competitive advantage:** Enable LinkedIn Hiring Assistant to evaluate every applicant - whether they applied on LinkedIn or not - and drive even smarter hiring decisions by combining the power of LinkedIn and your ATS data
- **Free to Activate, Built to Deliver:** LinkedIn integrations are free and deliver measurable ROI - saving time, improving candidate quality, and enhancing recruiter efficiency

## Practical Tips & Actions:
