

# SiriusDecisions Event Registration Terms & Conditions

## General

This event is produced by SiriusDecisions, Inc.

- We reserve the exclusive right to restrict access by any delegate, with full refund.
- All delegates must be at least 21 years of age.
- By registering for the event, you agree to abide all applicable rules and regulations.
- The views and opinions expressed at the event do not necessarily reflect those of SiriusDecisions. While we selectively curate each panel of presenters, we exercise no editorial discretion over their content.

## Registration/Cancellation

- Only one delegate per registration is permitted; a registration cannot be shared.
- Registrations may be transferred at any time up to the start of the event with notice to the Event Coordinator at [SDEvents@SiriusDecisions.com](mailto:SDEvents@SiriusDecisions.com).
- Registrations may be refunded according to the following schedule if canceled in writing to the Event Coordinator prior to the event:

31 – 100 days prior:	100% refund
16 – 30 days prior:	50% refund

Registrations canceled after these dates will not be refunded and, if a balance is due, will be invoiced at the full registration amount.

- Canceled registrations may be re-activated at no additional cost through the close of the event by contacting the Event Coordinator.
- "No Shows" are nonrefundable.

## Use of Data and Personal Information

SiriusDecisions uses your registration data to facilitate your participation in this event according to applicable data protection laws, as well our [Privacy Statement](#).

- By registering for this event, you agree to be included (name, title and affiliation) in the shared delegate list.
- SiriusDecisions may disclose your personal data to third party service providers supporting the event.
- You will be issued an event badge with RFID that holds personally-linked information. You can choose to not have your badge scanned if you do not want to share your information.
- When creating your agenda with our mobile app, the information you provide is treated as personal and confidential.
- SiriusDecisions may collect the information you provide for internal use in furtherance of your participation in the event.
- SiriusDecisions imposes certain restrictions on the use of media at its events (including but not limited to photography, video, audio, streaming) to comply with data privacy laws. For our Keynote Sessions, Track Sessions, Marketplace and Special Events in particular, SiriusDecisions prohibits the use of cameras and any recording devices. You agree to this prohibition and any posted or stated restrictions at the event.
- You acknowledge and agree that SiriusDecisions may use any media it captures at the event for marketing and promotional activities, including posting real-time

content to its social media feeds and displaying samples from those feeds throughout the event venue, and for any other lawful purpose in the ordinary course of its business. SiriusDecisions disclaims all liability resulting from the use of your image in any media format by other delegates at the event.

- Should you attend a session or program hosted by an exhibitor, you understand and agree that when you provide your badge for scanning or other personal data, you are providing it to a party other than SiriusDecisions. We take no responsibility for how that party uses your information.
- At the event, you may receive access to content licensed by SiriusDecisions and third parties. You may use this content solely for your own internal, non-commercial purposes. Unauthorized distribution, such as through sales, copying, or posting online is expressly prohibited.
- Permission to use excerpts or quotes from SiriusDecisions material may be obtained by emailing [quotepolicy@siriusdecisions.com](mailto:quotepolicy@siriusdecisions.com).
- Delegates are welcome to document their event experiences in unrestricted areas and share it via their own social media content, provided it does not defame other event participants or infringe on any copyrighted materials.
- For security purposes, SiriusDecisions prohibits any and all recording during your one-on-one meeting, and we suggest discretion in that setting to avoid any inadvertent disclosures to unintended parties.

## Event Wireless Service

Complimentary wireless service is provided at SiriusDecisions events to enable Internet access during the event. By using the service, you understand that you are accessing an unencrypted, open wireless network. You are solely responsible for the privacy and integrity of any transmissions you make or receive, as well as the safety and security of any systems you attach to the network. You will take full responsibility for any necessary precautions to protect transmitted data, including encryption, antivirus screening and backup. You agree that SiriusDecisions may routinely monitor, audit, intercept and disclose communications over its networks for security, performance and other purposes, and may remove an attached system at any time for any reason.

**Limitation of Liability — Per applicable law, SiriusDecisions will not be liable under any circumstances, including negligence, for any lost profits, cost of cover, or any direct, indirect, incidental, special, reliance, consequential or punitive damages that result from (i) the provision of or failure to provide the service; (ii) the use of or the inability to use the service or any of its functions; (iii) your reliance upon the service or any aspect of it; or (iv) loss of use, data, or profits, whether or not we have been advised of the possibility of such damages, and on any theory of liability (including negligence). In addition, we have no duty to update the service or the contents thereof. If you are dissatisfied with the service, your sole and exclusive remedy is to discontinue use of the service.**

## Antitrust

During an event, delegates may gather in impromptu break-out sessions or unplanned meetings with industry peers. In such a situation, you agree to adhere to all established antitrust laws. For guidance, please visit the [FTC web site](#).
