

Administering LinkedIn Career Pages: Activity Tab

The **Activity** tab is used to notify Admins about activity or interactions with their company's pages.

Left rail filters:
Allow you to view specific stories or notification types that you're interested in (or look at all of them)

The screenshot displays the LinkedIn Admin interface for Enigma Corporation. At the top, there is a navigation bar with icons for Home, My Network, Jobs, Messaging, Notifications, Me, Work, and Recruiter. Below this, the page header shows 'Enigma Corporation' and 'Admin view' with a 'View as member' button. The main navigation includes 'Page', 'Content Suggestions', 'Career Pages', 'Analytics', and 'Activity' (which is selected). On the left, a 'Social Notifications' sidebar is visible with a 'Show all' link and filters for 'Likes', 'Shares', 'Comments', and 'Mentions'. The main content area, titled 'All Notifications for Enigma Corporation', lists three notifications from 4 weeks ago. Each notification features a user profile picture, their name, and a comment on a company update. The first notification is from Kel Rhodes, with a comment from Karina: 'Hoping to see you in the new office soon!'. The second is from Brook Payne, with a comment: 'Looking sharp! Can't wait to see my new desk :-)'.
