

# Attract top candidates by putting your company culture and job opportunities in the spotlight

## Share your company's story

Share your authentic story throughout your pages with images, videos, employee testimonials, and more.

## Reach the right candidates

Tailored audience views let you segment and personalize messaging to different audiences.

## Drive applications

Help candidates assess if they're a good fit for your role with personalized opportunities and insights.

"LinkedIn is a great platform that enables us to really communicate our brand clearly and directly to potential candidates."

1.2x

more likely to apply to a job when candidates are familiar with the company 40%

higher rating on quality applicants than any job board 73%

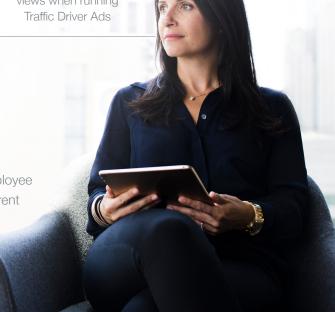

lift on Career Pages views when running

### Features of Career Pages

**Traffic-Driver Ads** invite potential candidates to learn more about your culture and explore open jobs.

"What We Do" page showcases what your company does, spotlights employee testimonials, and offers personalized views of your company's story to different candidate segments (ex: Engineering, Sales, Marketing, etc.).

**Jobs** page automatically shows personalized opportunities and insights to every candidate.
