

Introducing Work With Us Ads

Promote your company and jobs where members spend the most time – viewing profiles. Work With Us Ads will appear on the right side of profiles candidates are visiting.

Use your employees' LinkedIn networks to discover great candidates

Convert your employees' networks

Recruitment ads drive interested people to your jobs, Career Pages, and other places on LinkedIn.

Easy setup, always on

Save time while we automatically share your ads on targeted relevant employee profiles.

Stay ahead of the competition

Block out the ability for competitors to place their ads on your employees' profiles.

“LinkedIn helps us effectively recruit and get a big group of candidates in terms of a network for us to develop and go after and find the right candidate.”
