

Recruiter

Unlock the power of the world's largest professional network

Unlimited access to over 530 million professionals

Discover great talent, fast.

Find absolutely anyone, with zero limitations, on LinkedIn. Hone in on exactly the right talent with 20+ advanced search filters and insights-driven suggestions. Or, simply type in the name of a top performer and we'll find more people like them.

Engage the world's most qualified talent pool.

Contact any candidate with a personal InMail or a templated "one-to-many" InMail. Use spotlights to prioritize candidates who are more likely to engage. You get 150 InMail messages per month per Recruiter license.

Be an organized, strategic partner.

Become a market expert that hiring managers and candidates turn to, and close searches faster with visualized data from our search insights tool. Stay organized and keep your team informed with project folders and tags.

How it works

Find

Search LinkedIn's 5300M+ member network and understand the talent landscape.

Contact

Send InMails to candidates who perfectly match your roles.

Manage

Collaborate with teammates with projects and stay organized with tags.

According our latest surveys

75%

of recruiters said they were simply more successful when using LinkedIn's Recruiter products.

Why not you?

Using LinkedIn, I have sourced around 90 top profile candidates in less than 5 months, and recruited five. It lets us really select and focus on quality candidates. It has given us stronger employer credibility and accelerated our recruitment.
