

# Recruiter Professional Services (RPS)

Unlock the power of the world's largest professional network

Close candidates and clients with access to over 400 million professionals

Save serious search time.

Find absolutely anyone, with zero limitations, on LinkedIn. Hone in on the right talent with 20+ advanced search filters and insights-driven suggestions. Or, simply type in the name of a top performer and we'll find more people like them.

Contact more potential candidates and clients.

Reach potential candidates and clients individually or in bulk with 100 monthly InMail messages, and unlock up to 30 out-of-network profiles a month. Use spotlights to prioritize those who are more likely to engage with your company.

Be a strategic partner.

Become a market expert that candidates and clients turn to, and close searches faster with visualized data from our search insights tool. Stay organized and keep your team informed with project folders and tags.

## How it works

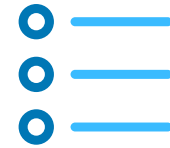

### Find

Search LinkedIn's 400M+ member network and understand the talent landscape.

### Contact

Send InMails to candidates who perfectly match your roles.

### Manage

Advise candidates and clients with data. Collaborate and stay organized with projects and tags.

According our latest surveys

**75%** 

of recruiters said they were simply more successful when using LinkedIn's Recruiter products.

Why not you?

When I look at the numbers, LinkedIn is the clear winner in terms of providing value and high ROI.
