

Two ways to target the  
best candidates for your job

## LinkedIn Job Slots & LinkedIn Job Posts

Target recommendations  
of your job to the most relevant and  
qualified candidates on the world's largest  
professional network.

Reach passive and active  
candidates  
across 400M professionals. Over half of job  
views come from passive candidates who  
had the right job placed in front of them.

Easily filter and manage  
applicants, and understand what talent  
you're attracting by seeing how your job is  
performing.
