LinkedIn® + Connectifier

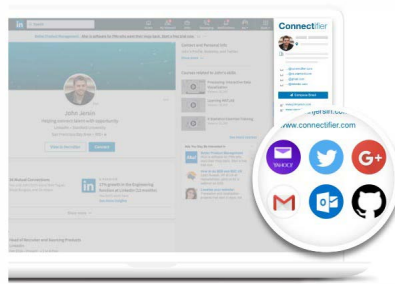

BENEFITS

Find, reach, and hire great people – faster than before

Access personal email addresses

Now you can email candidates directly. Recruiters typically see response rates improve up to 50% when using both LinkedIn InMail and emails from Connectifier.

Get rich insights on candidates

Connectifier can help you learn more about potential candidates. With instant access to social media profiles, you can quickly decide if it's time to make a connection.

Now included with Recruiter Corporate at no extra cost

Once activated, Connectifier will seamlessly integrate with your account. Find the Connectifier module on the side of a Chrome or Firefox browser – and use it to better understand your candidates.
