(COMPANY) NAMED LINKEDIN TALENT AWARDS UNITED STATES WINNER

Talent Awards Recognizes Remarkable Adaptability, Innovation and Creativity in the Talent Industry

LOCATION (December XX, 2021) – (Company/Individual) has been named a 2021 United States LinkedIn Talent Awards winner in the (Category name here) category, (subcategory). The LinkedIn North America Talent Awards includes nine categories, of which each of the finalists and winners demonstrated their ability to adapt, innovate and move the talent community forward into the new world of work.

The LinkedIn Talent Awards shines a spotlight on the companies and people across the globe who have excelled in the last year at engaging with talent, creating inclusive workplaces, building strong employer brands, encouraging learning and development, and focusing on employee retention.

“Quote from Winner if desired.”

“Talent professionals are on the front lines of helping companies navigate a transformational year for the workforce,” Vice President, LinkedIn Talent Solutions Mark Lobosco said.

“LinkedIn’s global Talent Awards program is a chance to celebrate our customers across 24 different countries and four different regions that have evolved their talent strategies to lead the way for how companies find, develop, and engage talent today.”

The Talent Awards are a data-driven recognition awarded by LinkedIn to companies based on their utilization of LinkedIn Talent Solutions and activities on the LinkedIn platform. The LinkedIn Insights team examines billions of data points among all companies in participating countries with LinkedIn Talent Solutions by looking at factors like engagement, performance, results, and impact.
