Integration guide

April 2021

in Talent Hub | OUTMATCH.

Hire more efficiently with OutMatch Video video conferencing.

LinkedIn Talent Hub makes it easy to set up, manage, and host OutMatch Video video interviews. Now you can consolidate interview scheduling into a single workflow, so there's more time to connect with your potential hire.

Once OutMatch Video is authorized, you can send candidates an InMail with a link to your calendar, allowing them to check availability and choose an interview time.

Send invitations via InMail

• Interviewer view

You can initiate an initial phone screen or 1:1 interview by sending an InMail.

Once Talent Hub is synced with your email, you can send candidates a video interview link along with your calendar information.

- 1. After writing your InMail, click the calendar icon.
- 2. Then click the gear icon to open video interview options.

· ·	

In Talent Hub, you can send InMail messages from Pipeline, Recruiter Search view, or the candidate's profile.

Add video conference link

e Interviewer view

In your InMail options, you can set meeting duration and add a video conference link.

- Move toggle to "On", select "OutMatch Video", and set up your interview details. When you're finished, click "Save changes."
- 2. Send your InMail to your candidate and await their response.

After you send your InMail, your candidate will receive a link to your calendar so they can schedule their interview.

in Talent Hub | OUTMATCH

Candidate invite view

• Candidate view

- Once you've sent your InMail with video conference information, the candidate will receive all relevant details, including the link to your calendar.
- 2. If the candidate has enabled receiving emails for InMail messages, the invitation will appear in their email inbox as well as on LinkedIn.

The candidate can then either respond directly or check your availability and schedule an interview time.

Interviewer access

O Interviewer view

Clicking the interview link will redirect you to your OutMatch Video meeting, which may require an access code.

The access code can be found in both the calendar invitation and the confirmation page/email.

Depending on the requestor's interview settings, the video conference may not be accessible outside the hours of the scheduled interview.

Initiate panel interview

O Requestor view

When coordinating a panel interview with multiple interviewers, you can add a video conference link directly into each interview slot for those who need it.

- From the Pipeline, click the ellipses and select "Schedule interview."
- 2. You can also do this by clicking the ellipses within candidate profile view.

Panelist confirmation & access

B Requestor/interviewer view

- Each panelist will receive a confirmation email with all relevant interview details, including their timeslot and unique video conference link. A panelist can also find their unique link on their confirmation page.
- 2. When it's time to join the interview, the interviewer must be logged into Talent Hub to access the video conference page.

Candidate confirmation & access

• Candidate view

- Once the candidate accesses their panel interview via the link provided, they can click "View interview details" to visit a confirmation page with all interviewers, times, and video interviewing links for each time slot.
- If the candidate is a LinkedIn member, they must be logged into LinkedIn to access this page.
- A candidate will receive multiple video conference links with unique access codes for the interviews.

in Talent Hub | OUTMATCH

Depending on OutMatch Video settings, candidates may not be able to get into the video conference ahead of the scheduled time and need an access code. If necessary, candidates should copy the appropriate access code before selecting "Join meeting."

FAQ

Frequently asked questions

1. Can existing Outmatch Video customers enable the integration from Talent Hub?

Existing Outmatch Video customers who wish to enable the integration:

- Please reach out to your Outmatch Video customer service rep or email support@wepow.com
- Once Outmatch Video enables the integration, your Talent Hub admin can authorize the integration within the <u>Talent Hub product</u> settings.

2. How do I sign up for Outmatch Video as a new customer?

New customers cannot sign up for Outmatch Video through Talent Hub. Please reach out to Outmatch Video for more information <u>here</u>. Talent Hub customers are eligible for a 60-day free trial.

3. Does the requestor email have to be the same as the email associated with my Outmatch Video account?

No, the requester's email does not have to be the same as the email associated with their Outmatch Video account.

4. What is the difference between a video panel and 1:1 interviewing?

<u>1:1 Video Screen</u>: Video interviewing URL for Recruiter screens. When a recruiter reaches out to a candidate via InMail to schedule a call, they can utilize any of our video interviewing partners to host a video call.

Panel interviewing: Video interviewing with multiple interviewers.

6. What if I use G-Suite for my calendar?

- If you are a G-Suite user, you will need to authorize the integration with your G-Suite account before using Outmatch. Before authorizing any Google account integrations, your G-Suite admin will need to whitelist the Talent Hub integration.
- More information about whitelisting from Google is available here.
