Don't forget that you now have access to LinkedIn Learning

Hello -

You now have access to great Lynda.com content powered by LinkedIn insights on the most-in-demand skills.

Your learning history and progress has been brought over from Lynda.com, so you can pick up right where you left off.

Your upgrade to LinkedIn Learning includes:

- A clean and redesigned user experience to get you learning and on your way quickly
- Personalized course recommendations based on trending skills relevant to your job
- The ability to 'like' a course or share it with others on Facebook, Twitter, and LinkedIn
- Collections, which allows you to organize course and videos into groups

Don't hesitate to let me know if you have any questions. I look forward to your feedback. Happy learning!

Best regards,
