

# Introducing Glint for Nonprofits

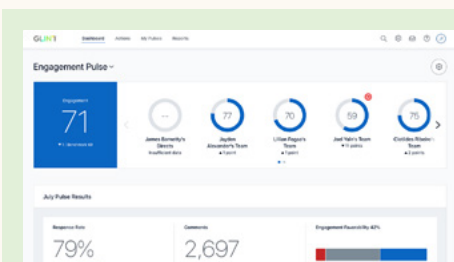

Build an organization where employees are engaged, satisfied, and empowered to do their very best work. Glint's People Success Platform is designed to help you create an environment where all employees can thrive—so you can hold onto your people and drive better results for your nonprofit.

## Improve engagement and retention with an intuitive People Success Platform

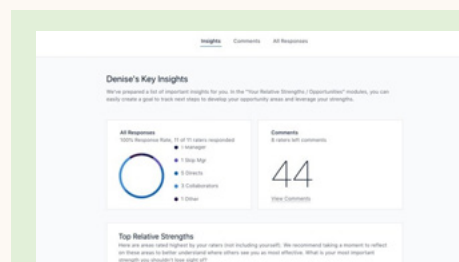

### Evaluate the health of your organization

Leverage short, frequent surveys to gain greater visibility into the employee experience—and spot opportunities for improvement.

### Nurture your team's development

Provide leaders, managers, and employees with more access to thoughtful, actionable feedback that supports their growth.

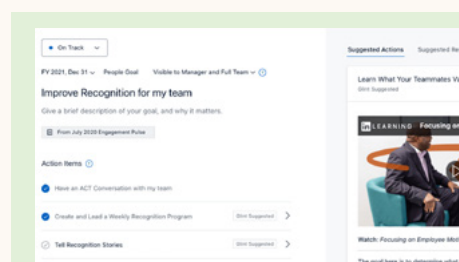

### Create a culture of belonging

Measure whether employees feel a true sense of belonging at your nonprofit and help managers adopt more inclusive practices.

Manager	All	Clery Ribero's Team	Lily Hawkins's Team	Joel Yahn's Team	Denise Ja Direct
Respondents	62	13	18	5	16
Humanity	81	84	82	83	86
Integrity	85	86	91	85	90
Adaptability	84	93	82	80	100
	79	79	82	80	79

### Foster habits that fuel success

Encourage everyone at your organization to adopt healthy habits like seeking feedback, prioritizing listening, and setting focus areas.

Give managers the tools they need to best support their people

Real-time data so you can be proactive in addressing employees' needs

People science-based insights so you can understand the emotions behind the numbers

Intelligent Action Planning so you can determine the best way to respond to any challenge
